INDEX TO THE FIRST VOLUME.

Abortion, criminal, case of with retained placenta, &c., 97
Abscess, of hand, 9; of abdominal parietes, 87; of thigh, 103; pulmonary, large, 147; of the liver, 234; perinephritic, 300; lumbar, 300; perinephritic, complicated with pulmonary and pleuritic disease, 357
Absinth and absinthism, experiments and observations on, 68, 83
Acid, acetonic and oxyisobutyric, 371; carbolic, 342, 385, 416
Acids, carbolic, phenic and cresylic, 342
Acupressure, 208
American Medical Association, nineteenth annual meeting of, 126, 204, 237
American Academy of Dental Science, 47
Amory, Dr. R. The physiological action of caffein and thein, 261; absinth and absinthism, 68, 83
Amputation, of leg, 8, 9; of forearm, 9, 315; of thigh, 13, 331; at shoulder joint, 23; of toe, 330; re-amputation of arm, 119
Anæsthesia, local, in the treatment of traumatic tetanus, 292
Anæsthetic, a new, 48
Anatomical museum, 207
Anatomical specimens, preservation of, 192
Anatomist, female, a, 372
Anchylosis of knee, 9; ditto, false, 86; of shoulder joint, spurious, 317
Aneurism of the common iliac treated by pressure of abdominal aorta, 64; supra-orbital, 86; popliteal, 238, 347; traumatic, of the arteria transversalis faciei, 276
Anodyne, a new, 404
Anorchidia, congenital, 404
Ano-spinal centre, 224
Andersonville prison, from a Confederate account, 320, 335
Aphasia, with lesion of third left frontal convolution, 2
Arsenic, in the treatment of pulmonary consumption, 276; detection of, in cases of poisoning, 403
Ascites, spontaneous opening at the umbilicus in case of, 11
Association of Superintendents of Institutions for the Insane, 305
Asthma, bromide of potassium in, 127
Atomizer, a cheap, 188
Atwood, Dr. Geo. Treatment of vomiting in colic, 393

Babb, Dr. L. P. Ingrowing toe-nail, 362
Barton, Dr. Edward. Rupture of the uterus and vagina, 408
Beach, H. H. A. Reports of Mass. General Hospital, 73, 102, 151, 166, 198, 231
Beard, Dr. Geo. M. Neuralgia treated by electricity, 295
Behier, Prof., 330
Belladonna, and opium, non-antagonism of, 218; conium, hyoscyamus and, 340
Berlin, medical advantages of, 33
Bibliographical Notices:—
Ligature of the left common Iliac Artery, 11
Is it I? A book for every man, 27
The Diseases of the Ear, 41
Twenty-Ninth Annual Report of Central Ohio Lunatic Asylum, 42
Mémoir sur l'Acclimatement des Races in Amérique, 59
Consumption in New England and elsewhere, 75
Diagnosis, Pathology and Treatment of Diseases of Women, 89
Treatise on Diseases of the Eye, 107
Inquiry into the Influence upon Health of Anthracite Coal as Fuel, 122
Hufeland's Art of Preserving Life, 123
Papers from the American Beaver, 123
Felix von Niemeyer's Clinical Lectures on Pulmonary Phthisis, 155
The Principles and Practice of Obstetrics, 155
Chronic Alcoholic Intoxication, 156
Atlas of Venereal Diseases, 172
The Law of Human Increase, 184
Dictionnaire Annuel des Progrès des Sciences et Institutions Médicales, 218
Pennsylvania Hospital Reports, 236
Manual of the Dissection of the Human Body, 255
Neuroses of the Skin, 268
Practical Treatise on the Diseases of Women, 285
The Economy of the Animal Kingdom, 319
Contributions to Dermatology, 334
Etudes sur les Médications Arsénicales et Antimoniales et sur les Maladies du Cœur, 380
Practical Treatise on the Diseases of Children, 398
Obstetric Clinic, 399
Variation of Animals and Plants under Domestication, 413
Bigelow, Dr. Henry J. Nitrous oxide gas for surgical purposes in 1848, 17; fractures and dislocations of the elbow joint, 209; address at presentation of ether monument, 351
Biliary calculi, 40
Bismuth, subnitrate of, adulterated, 412
Blepharoplasty, 135, 198
Blindness, temporary, in scarlatina and typhus, 143
Books, too many, 381
Borland, Dr. John N. Report on ninety cases of pneumonia treated at Boston City Hospital, 249
Boston Society for Medical Improvement, reports of, 58, 137, 234, 332
Bouillaud, M., his election to the Academy of Sciences, 338
Bowditch, Dr. Henry I. Three cases of perinephritic abscess, complicated with pulmonary and pleuritic disease, 357

Bowels, true mechanical obstruction of the, 323
Boylston prize essay, 288
Braman, Dr. C. B. Poisoning by bromide of potash, 282
Breast, excision of, 74, 231; cancer of, 102, 134; diseases of in male, 259; needle in the, 337
Bright's disease, 167
Bristol South District Medical Society, annual meeting of, 259
Broca, Prof., 330
Bromide of potassium, 49, 79, 127, 144, 150, 258, 282, 383
Brown, Dr. Francis H. Introduction of medicines into the system through the nasal fossæ (translation), 3; reports of cases at Boston Dispensary, 54
Bubo, case of, 151
Bunting, Dr. J. L. Poisoning by croton oil, 294
Buckingham, Dr. C. E. The duration of pregnancy, 81; false certificates of death, 225
Burn, cicatrix of, operation, 300
Burr, Dr. D. S. Poisoning by bromide of potass, 383
Bursa, 103
Butler Hospital for the Insane, 47

Cæsarean operation, case of, successful to mother and child, 1, 289
Caffein and thein, the physiological action of, 261
Caldwell, Dr. J. J. New process of embalming, 341
Calkins, Dr. M. Report of Springfield Society for Medical Improvement, 40, 201
Calomel bath, 356
Cancer, of lip, 74; of liver, 138; epithelial, of clitoris, 232; of breast, 102, 134
Cancerous disease in cavity of thorax and abdomen, 105
Cancerous mass, arising from subperitoneal tissue, 332
Cancroid ulcer, 86
Carbolic acid, 342, 385, 416
Caries of tibia, 25
Cartilages, loose, in the knee-joint, 382
Cataract, hard and soft, 57, 58; double, coincident with diabetes, 266; traumatic, with atrophy, 266
Catarrh of the bladder, tar-water in, 260
Cellulitis, of arm, 103; pelvic, case of, 278, 391
Cerebral disease, nearly total blindness from, 266
Cervex uteri, rupture of, 33
Chalk-eating, 101
Chicago, mortality of, for 1867, 47
Childs, Dr. H. H., death of, 126; resolutions of Berkshire District Medical Society, 239
Chloride of gold as a re-agent, 308
Chloroform, remedy for accidents caused by, 292
Cholera fungus, 260
Cholera and the atmosphere, 324
Choroiditis, 124
Cicatrix of burn, operation on, 300
Circumcision for epithelioma of prepuce, 299
Clavicle, dislocation of the, 6
Cod-liver oil, iodinized, 143
Colic, treatment of the vomiting of, 393
Consumption, arsenic in the treatment of, 276
Compression, of carotids for convulsion, 240; in treatment of aneurism, 238; of arteries, new mode of, 260
Conium, belladonna and hyoscyamus, action and uses of, 340
Connecticut River Valley Medical Society, annual meeting, 275
Connecticut Medical Society prizes, 306
Contributors, note to, 271
Crab, living, in the stomach, 125
Croton oil, poisoning by, 294
Cubebic acid, 95
Curara, 371
Curtis, Dr. Hall. Case of sub-acute rheumatism, 309
Cutter, Dr. Ephraim. Treatment of retroversion of the uterus, 113
Cystisis, new form of, 207

Damon, Dr. Howard F. Reports of Obstetrical Society of Boston, 106, 171, 251
Dead man not "at home," 379
Death, sure sign of, 260
Deaths, registration of, 225, 265, 280, 314
Delirium tremens, treated with cannabis indica, 208; treated with pulv. capsica, 338
Delivery, premature, 254
Derby, Dr. Geo. Registration of deaths, 265; epistaxis, 392
Dermatology, contributions to, 99
Diabetes, 266
Diabetic urine, sugar in, 177
Diaphragm, rupture of the, 95
Digitalis, 127
Diphtheria, 201
Discharge, of fat from the bowels, 234; watery, from vagina soon after delivery, 253
Diseases prevalent in European cities in 1866, 141
Disinfectants, 240, 387
Dislocation, of the clavicle, 6; of the humerus, 7, 300, 330; of hip-joint, 73, 183; elbow joint, 74, 209; supra-acromial, of the clavicle, new method of treatment for, 80; of the shoulder, 167, 183, 300; of lower end of tibia, 394; of right radius and ulna, 402
Dispensary, Boston, 125
Diuresis, revulsive action of, 317
Draper, F. W. Reports of Boston City Hospital, 315, 330, 347, 394, 410
Dysentery, chronic, nux vomica in, 268
Dyspepsia, sulphate of zinc in, 230

Ear, insect in the, 48; mushrooms in the, 404
Edes, Dr. Robert T. Aphasia, 2
Edson, Dr. P. O'M. Report of Norfolk District Medical Society, 254
Elasticity, influence of on muscular contraction, 356
Elbow, subperiosteal resections of the, 160
Elbow-joint, fractures and dislocations of, 209
Electricity in poisoning by opium, 208
Electro-physiology, 173
Embalming, improved mode of, 224, 341
Embolism, in connection with bronchitis and pleuritis, 202, 293
Encephaloid testicle in abdominal parietes removed, 87
Endo-osteal caries of tibia, 25
Epidemic, the cost of an, 324
Epileptic attacks, prevention of, 223
Epistaxis, 392
Epithelioma, 315
Epulis of upper jaw, 410
Essex North District Medical Society, 317
Ether, sulphuric, alleged death from, 272; antiseptic properties of, 308; monument commemorative of discovery of, 351; spray of, as a styptic, 372
Etherization, remedy for the nausea of, 49
Expectoration of a buck-shot, 339
Extirpation of the spleen, 176
Eye, right, traumatic injury of, 56; enucleation of, 139; pistol-shot wound of the, 233; new operations on the, 339

Face presentation, second position, 37
False membrane, solubility of, 388

Fashion, the pendulum of, 324
Fat, formation of from flesh, 400; animal, means of rendering inodorous, 420; discharge of from the bowels, 234
Faye, Prof., of Norway. Remarks on population, 130
Fecundity, curious case of, 334
Femur, excision of the head of the, 88; fracture of, 135; resection of head of, 23
Fisher, Dr. T. W. The study of insanity, 65; reports of Boston Lunatic Hospital, 267, 363
Fissure of palate, 86
Fistula, singular, 345
Fistulæ, in ano and hæmorrhoids, 9; of back, 9
Flooding after instrumental delivery, 40
Fœtus, expression of the, 47
Fracture, compound, cases at Mass. General Hospital, 146; rapid union of in an old man, 173; compound comminuted of both legs, 183; compound, 199; of skull, 215; of fingers, 231; compound, of cranium, 282; ununited, of tibia and fibula, 299; of femur, 135; femur, compound comminuted, 315, 330; of the condyles of the os humeri, 325; of leg, compound comminuted, 377, 378; of cranium, compound comminuted, 394; of patella, 128
French practice, modern, 60
Fungoid theories of disease, 384

Ganglion, on the dorsum of the hand, 103
Gangrene of the left lower extremity, 293
Garland, Dr. G. W. Treatment of rheumatism, 149; reports of Essex North District Medical Society, 317
Gas, nitrous oxide, for surgical purposes in 1848, 17
Gavin, Dr. M. F. Reports of Boston City Hospital, 57, 120
Gay, G. W. Reports of Boston City Hospital, 22, 87, 152, 215
Gestation, prolonged, 356
Glanders, transmissibility of between man and the horse, 119
Glandular tumors, 24
Gossypium, as an emmenagogue and parturifacient, 339
Gratuitous medical services, 191
Graves's disease, 161, 206
Green, Dr. J. Orne. Acute inflammation of membranous labyrinth (translation), 326
Greene, Dr. Wm. Warren. Case of Cæsarean section, 1; cases of ovariotomy, 196, 211
Gunter, L. D. Reports of Boston City Hospital, 87, 152, 215, 299

Hæmorrhage, from waxy or amyloid degeneration, 307; means of arresting, 283, 345, 373; accidental, 34, 253, 254; post-partum, 34
Hæmorrhagica purpura, 318
Hæmorrhoids, ligation of, 198; 151, 231, 299
Hale, Josiah L., Jr. Reports of Mass. General Hospital, 86, 119, 134, 180, 183
Ham, Dr. J. R. Dislocation of the clavicle, 6
Hare-lip, single, 134; hereditary, nature of, 308; complicated, 317
Hartford Retreat for the Insane, 126
Harvard Dental School, 141
Head, injury to, 87
Heartburn, 111
Heart pulsations, independent of nervous system, 128
Hemicrania, 346
Hemidiaphoresis, case of, 338, 372
Hernia, ventral, case of, 10; radical cure of, 111; double, in single sac, 195; strangulated femoral, 216; congenital, 232; inguinal, 5; strangulated inguinal, 315; strangulated femoral, 25
Hippophagy, 307; in Paris, 384
Hitchcock, Dr. Alfred. Case of œsophagotomy, 373
Hodgkins, Dr. D. W. Bromide of potassium, 150
Homans, Dr. Charles D. Reports of Boston Society for Medical Improvement, 58, 137, 234, 332
Homans, the late Dr. John, 187, 205
Homœopathy and the University of Michigan, 159
Hospital, Carney, 414; Boston City, new building for out-patients at the, 90; election of house officers at the, 111; report on ninety cases of pneumonia treated at the, 249
Hospital Reports. Mass. General Hospital, 8, 73, 86, 102, 119, 134, 145, 151, 166, 180, 183, 198, 231; Boston City Hospital, 7, 22, 38, 56, 72, 87, 104, 121, 135, 152, 167, 199, 215, 231, 266, 282, 299, 315, 330, 347, 377, 394, 410; Boston Dispensary, 54, 217; Boston Lunatic Hospital, 267, 363
Hospital physicians and surgeons, duties of, 399
Hospitals, separation of wards in, 96
Housemaid's knee, 86
Humerus, dislocation of the, 7
Hydrocele, double, 120, 317; cured by faradization, 64
Hygienics of boat-racing, 175
Hyoscyamus, belladonna and conium, action and uses of, 340
Hyperostosis of entire skeleton, 354
Hypertrophy, arterial, 274
Hypospadiasis, 134

Idiots, school for, 158
Inflammation, and suppuration, 31; diffuse, of hand and arm, 40; of globe of eye, following accouchement, 56; acute, of the membranous labyrinth, 326
Insanity, in Switzerland, 337; feigned, 306; the study of, 65
Intermittent fever, cases of originating in Boston, 227
Intestine, large, strangulation by a band, 389
Iodine, and carbolic acid, 32; decolorized tincture of, 45, 79
Itch insect, 313

Jarjavy, Prof., death of, 260
Jeffries, Dr. B. Joy. Three cases of retinitis pigmentosa, 193
Jefferson Medical College, 419
Jelly, G. F. Reports of Boston City Hospital, 22, 299
Job's illness, on the nature of, 322
Juniper, oil of as a diuretic, 96

Kelly, Dr. S. B. Ingrowing toe-nail, 311
Keratitis, inherited syphilitic, 121, 122
Kidney, inflammatory destruction of, 137
Knee, excision of, 74, 103; anchylosis of, 9, 86
Knee-joint, loose cartilages in, 382
Knife, concealed, new form of, 344
Knight, F. I. Case of Graves's disease, 161; reports of Boston Dispensary, 217

Lachapelle, Madame, 221
Laryngotomy, case of, 6
Lead pipe, protection of water from action of, 144
Leg, re-amputation of the, 102, 166
Leucocythæmic tumor of neck, 24
Liebig and his opponents, 338
Ligation of hæmorrhoids, 198
Ligature, of external iliac vein, 22; of external iliac artery, 190; of lingual artery, 22; of varicose veins, 151
Limbs, symmetry and homology in, 76
Lincoln, Dr. F. M., death of, 273

Lincoln, Dr. D. F. Population, proportion of males and females in (translation), 129
Lincoln, Rufus P. Reports of Mass. Gen. Hospital, 86, 119, 134, 145, 183
Lip, lower, operation on, 25
Lipoma of thigh, 134
Lithotomy, 151
Lithotrity, 102, 151
Liver, pin in the, 332; fibro-plastic disease of the, 333; abscess of the, 234
Livingstone, Dr., safety of, 48, 160, 240
Liquor ferri persulphatis as an anti-periodic, 95
Locomotor ataxy, 104, 405
Lute for the laboratory, a new, 420
Luxation of elbow, 134

Magnesium, new method of preparing, 404
Malformed extremities in a five-months fœtus, 10
Marcy, Dr. H. O. Pelvic cellulitis, 391
Marriage, influence of on duration of life, 191
Martin, Dr. Henry A. Cases, 293
Mason, Dr. J. K. Suppuration in peritoneal cavity, 376
Massachusetts, population of, 219
Massachusetts Medical Society, annual meeting of, 272, 288, 301; prizes of, 306
Massachusetts Medical Benevolent Society, 62
Massachusetts Medical College, commencement at, 79, 111; list of graduates of, 93, 383
Massachusetts General Hospital, fifty-fourth annual report of, 108
Medical education, basis of a, 124
Medical College in Detroit, 334
Medical profession, present position of the, 60
Medicine, how to study, 256, 349
Medullary neuroma in the substance of the brain, 95
Melancholy, suicidal, three cases of, 267
Membrana tympani, inflammation of the, 41
Memoirs, sanitary, of the war, 269
Meningitis, inflammation of membranous labyrinth taken for, 326
Mercurials, danger of, 281
Metritis, chronic, Prof. Scanzoni's treatment of, 63
Michigan, University of, 355
Microphytes and microzoa, 208
Midwifery of the Esquimaux, 176
Milk in breast of male infant, 376
Minnesota Hospital for the Insane, 412
Monstrosity, four-legged child, 445
Mortality of Chicago for 1867, 47
Motor nerves, peripheral termination of the, 336

Nævus, 9, 103, 120
Nasal fossæ, introduction of medicines into the system through the, 3
Necrosis, of radius, 299; of ilium, 184, 198; of lower jaw, 184; of malar bone, 183; of femur, 25; of tibia, 102, 299
Needle, extracted from foot, 135
Neuralgia, treated by electricity, 295; severe, during pregnancy, 253; of the tongue, 181
Neurine, formed synthetically, 319; and sincalin, 404
Neuritis, 48
Nerves, suture of, 385
Nervous disorder, anomalous, 388
Neuromata, 353
Nicotine, estimation of, 276; death from, 340
Nitrous oxide gas for surgical purposes, 17
Norfolk District Medical Society, 254
Nose, artificial, 92
Nux vomica in chronic dysentery, 268

Obituary of Physicians:
Augustus Willard, 126; Henry H. Childs, 126, 239; John Homans, 187; Joseph F. Potter, 187; J. Coolidge Stone, 205; John P. Batchelder, 223; Prof. Jarjavy, 260; Francis M. Lincoln, 273
Observations, immature, 312
Obstetric cases, unusual, 33; memoranda, 385
Obstetrical Society of Boston reports, 106, 171, 251
Odd members, 95
Œsophagotomy, case of, 373
Operations, results of, 286
Ophthalmia, catarrhal, 121
Ophthalmology, a new work on, 255
Ophthalmoscope, simple form of, 125, 221
Opium, new alkaloid of, 15
Orthopœdic surgery, 139
Os humeri, fracture of the condyles of the, 325
Ovariotomy, 401; cases of, 196, 211; in Australia, 387
Ovaritis, case of, 230
Oxygen, on the use of, 38

Palate, cleft, 86
Panacea, a new, 387
Paper, use of for surgical dressings, 362
Paresis, general, cases of, 363
Paralysis, phosphorus in the treatment of, 176
Parasitic diseases, mention of two interesting, 277
Patella, fractured, treated by Malgaigne's hooks, 128
Patent medicines, the member for, 386
Pelvic cellulitis, case of, 278, 391
Pennsylvania Hospital for the Insane, 47
Perchloride of iron, action of sugar on, 85
Perinæum, rupture of the, 180
Perineal section, 9, 152, 153, 154
Perinephritic abscess, 300; complicated with pulmonary and pleuritic disease, 357
Petechiæ, formation of, 274
Phosphorus, preparations of, 371
Phthisis, is it a syphilitic disease? 14
Phymosis, 151
Physiology, the median nerve, 258
Physique, wonderful, 323
Pillsbury, Dr. H. H. Tracheotomy, 165
Pinkham, Dr. Joseph G. Sugar in diabetic urine, 177; uterine scarificator, 295
Placenta, prævia, 33; adherent, 37, 164; retention of for 123 days after miscarriage, 291
Plastic operation, 24, 299; of nose, 9
Pleurisy, chronic, tannin in, 112
Pneumonia, report of ninety cases treated in the Boston City Hospital—with tables, 249
Poisoning, remarkable case of, 292; by opium, 208; by croton oil, 294; by bromide of potash, 282, 383; by pennyroyal, 394
Polypi of urethra, 167
Polypus uteri, 316
Pompeii, surgical instruments from, 15
Popliteal aneurism, 347
Population, of Massachusetts, influence of the war on, 219; proportion of males and females, 129
Porter, Dr. C. B. Reports of Mass. General Hospital, 8
Potassium, bromide of, 79, 127, 144, 150, 258; as counteracting the nausea attending etherization, 49; poisoning by, 282, 383
Potter, Dr. Joseph F., death of, 187
Pregnancy, the duration of, 81; extra uterine, 371; neuralgia during, 253
Progressive locomotor ataxy, 405
Prolapse, of funis, postural treatment of, 63; of the cord, 37

Prostitution, legislative regulation of, 127
Providence, R. I., vital statistics of, 47
Puerperal, salivation, 36; diarrhœa, 36; diseases in General Hospitals, 43
Pustule, cases of malignant, 19

Quadruple births, 404
Quinoidine, 386

Radical cure of inguinal hernia, 25
Ranula, 86
Recovery, extraordinary case of, 188
Rectum, epithelial disease of, 73
Registration of deaths in Massachusetts, 225, 265, 280, 314
Relic, an old, 317
Reports of Medical Societies:
Boston Society for Medical Improvement, 10, 58, 137, 234, 332; Obstetrical Society of Boston, 106, 171, 251; Norfolk District Medical Society, 26, 254, 396; Springfield Society for Medical Improvement, 40, 201; Essex North District Medical Society, 317; Rhode Island Medical Society, 318; New Hampshire Medical Society, 319; Maine Medical Association, 364; American Ophthalmological Society, 413
Resection of head of femur, 23
Respiration, action of internal intercostal muscles in, 45
Retinitis pigmentosa, three cases of, 193
Retina, separation of, produced by myopia, 266; traumatic separation and rupture of, 266
Retroversion of the uterus, a contribution to the treatment of, 113
Reynolds, Dr. Wm. B. Case of laryngotomy, 6; of tetanus, 21
Rheumatism, syrup of lime in, 345; subacute, combined with chorea, bronchitis and endocarditis, 309; treatment of, 149
Rhinoplastic operation, 24, 135
Rice, Dr. F. H. Case of ovaritis, 230
Richardson, Dr. J. G. Vegetable organisms in the human blood, 416
